A screenshot of a tablet displaying a web application interface. The browser address bar shows "thotzapptes1.appspot.com/app.html". The page title is "Correo de Thoughts Network SAS". The main content area displays a network diagram with a central node labeled "Nascar" and several surrounding nodes: "Work 8", "Legal 10", "Human Resource 20", "Company", and "startups 6". A green monster-like character is positioned over the "Work 8" node. The bottom of the screen shows a navigation bar with tabs for "All", "Documents", "Videos", "Images", "Websites", "Presentations", and "Other". Below the navigation bar, there are four document thumbnails with titles like "The standard Lorem Ipsum pasu...mov" and "The standard Lorem Ipsum pasu...doc".
