Unity Asset Store

- ❖ As of Unity 3.1 we now offer the Unity Asset Store
- ❖ It's an in-app way of purchasing material for use in your own content
- ❖ It's an in-app way for you to sell your scripts, models or other assets
- ❖ It offers one-click purchasing capability: simple, easy, efficient

- ❖ As of Unity 3.1 we now offer Union
- ❖ We know developers with content
- ❖ We know publishers or others than want to consume content
- ❖ Union is a publishing channel through which we connect those two!
- ❖ For more information: <http://unity3d.com/union/>
